TRICIA'S TIP.....

For more variety, use more Jelly Roll strips. This pattern is great for using all those Jelly Roll strip leftovers!

## Cut

Jelly Roll strips – 50 assorted rectangles 2½" x 5½"

White solid – 50 squares 2½" x 2½"

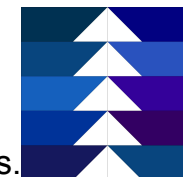

## Sew

25 right  25 left 

On the right end of a blue 2½" x 5½", lay a white 2½" square right sides together. Draw a diagonal line from the bottom left corner to the top right corner. Sew on the line. Cut ¼" away from the right side of the sewn line and discard the waste triangles. Press open. Make 25 right units.

Make 25 left units in the same manner, following the diagram for placing the square and drawing the line.

## Assemble

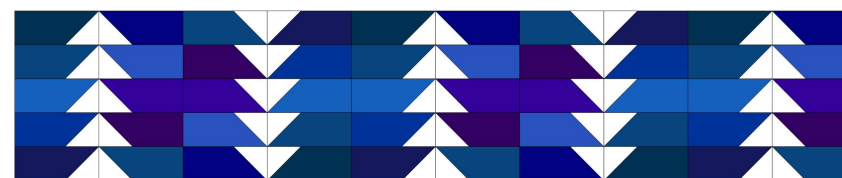

Sew a right unit to a left unit to form a goose at the center. Make 25 goose units.

Sew 5 goose units into one block. Make 5 blocks.

Sew the 5 blocks together, flipping every other one.
